

PCR TEST GUIDELINE

PRE-ARRIVAL OF GUESTS

- ✓ For pre-booked guests this information should be provided in advance to help guests plan their stay.
- ✓ Guest should be informed that 96 hours will be required to complete the testing.

SERVICE

- ✓ For our guests, samples will be taken in-house by our resident doctor.
- ✓ Testing will be done at a designated facility outside the resort.
- ✓ Samples will be taken within 96 to 48 hour's (to departure) time frame, in order to have the results back on time.
- ✓ Island host will inquire about the need of service, from each guest upon arrival and will update about procedure during their stay.
- ✓ If any guest wishes to have a PCR test taken, a minimum of 96 hours' notice will be required.
- ✓ Results will be send to the guest via Email and a copy will be handed over before departure.
- ✓ Symptomatic and Asymptomatic testing service will be available.
- ✓ Type of test to be done: PCR for SARS-CoV-2
- ✓ Type of sample to be taken: Oropharyngeal (OP) and Nasopharyngeal (NP) swab.
- ✓ In a rare case of "Inconclusive lab results", repeat sampling will be required.

CHARGES & PAYMENT

- ✓ All charges will be paid directly to the resort.
 - PCR test per person **USD85**

Note: Testing facility is subject to change depending on the availability of the service. In such cases charges will vary. All changes will be communicated to the in-house guests on the same day.
